

PAREF-Southridge School
Civics and History 7 Workload – Mr. Arby Lacsamana
1st Quarter, School Year 2009-2010

Please continue to work on the assigned research and homework that was given during the first week of classes. Do always refer to the first quarter outline, unit 1 enduring understandings, and unit 1 essential questions which we have discussed in class last week. This will greatly help you in your research work.
