### God Is Our Father

Did you know that you have a Father who is not the man you call “Dad”? He is your Father. He is your parents’ Father. He is your grandparents’ Father. He is the Father of all of us. He is God.

God is the One Who made us. God made the world we live in, too. He made flowers, vegetables, trees, and animals. God made the sun and the stars and the big, blue sky. He also made rivers and lakes and oceans, and everything there is.

Why did God make you? God made you because He loves you very much. Because God loves you, He watches over you day and night. He does this by giving you all the things that you need. So the food we eat, and the things we need to make clothes and houses. All come from God.

God gives you your family, the people who take care of you. And all the people you love. God makes many things you like, things like warm sunshine, icy snow, and lots of water in which we swim. He also did not forget to make all animals that make us happy.

How good our Father is! We should give thanks to God for all these gifts, like this:

Thank You, God, for everything!

When you talk to God, He always hears what you say. That is what **prayer** is --- talking to God. God wants us to pray to Him. He loves us and wants us to talk to Him about everything.
